“ *Dear Family,
We will miss Aunt Bessie's smile and her expression of pride and joy in her children and family. She has gone home now to be with Uncle Savington and they are together again. May God Bless and keep you during the days of grief and sorrow, and may the memories of her Love bring you comfort through it all.*

*Love,
Cousin Renea (Sutton) and Nixon Camper*

“ *When I think of Aunt Bessie I think of the many heroes and heroines in my life; she was one of my heroines. She always carried herself with such grace and dignity and I admired and have tried, miserably, to emulate that in my own life. And, that beautiful smile! That smile will never leave my memory. My thoughts, today are with all her children, in particular, but especially, with Savington, Jr. and his wife, Gail; whom I'm sure have no idea how much their presence in my life during my time in HI, was a blessing and a joy. I love Aunt Bessie and I love her children; those I know and those I don't. May you all find comfort and peace in your memories of her. Sincerely, Lorri Delysia Cain-Murrell.*

“ *We had so many cousins that i thought of Bessie as an aunt. She was always smiling and encouraging.*

On behalf of the Cadets of Air Force JROTC, we would like to send our heartfelt sympathy to you and the entire Nickens Family. We will always remember the hospitality she showed us during our visit to the Washington DC and Baltimore Areas on one of our many class trips. We also had the privilege of her visiting us at one of our Annual Awards Banquets here in Nashville Tennessee. She was indeed a very special lady who touched all our hearts. May God continue to strengthen each of you as you go through this difficult period.
