“ I know you don't know me, but I saw Ms. McFadden's obituary; I wanted to send you my condolences.

As humans, we grieve over the death of a loved one; that's normal, because we know Jesus gave way to tears (John 11:35) after the death of his close friend Lazarus. He demonstrated what resurrection will mean for mankind; in John 11:11, 14-44, “Jesus said to his disciples, ‘Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep.’ Luke 23:43 provides us the hope for paradise here on earth, because Jesus stated, “Truly I tell you today, YOU will be with me in Paradise.” Jesus statement meant that “All the earth will be transformed back into a paradise under the rule of Christ as King!

1 Thessalonians 4:13 Paul instructs us to not be ignorant concerning those who are sleep (in death); This hope Paul mentions is the hope for the restored Paradise on Earth, as Jehovah God had originally created for all of mankind to enjoy.

“ Momma you will truly be missed, your smile, your laughter, and your jokes. You were our bestfriend and our mother, so now we lay you down to rest from all your burdens and care knowing that we all have to go that way like the preacher said today " You did not broke down, You broke threw". So we love you momma.

P.S. Tell daddy we love him when you see him.

Love your children,
Betty, Barbara, Brenda, James, Andrea, and Karen
