“ *I have known Mrs Betty since I was a child. She would always have a smile on her face and she never had a bad word to say to me. She along with many others in the New Pilgrim Church Family played vital roles in me becoming the woman I am today. My prayers go out to her family in their time of bereavement. She will truly be missed by all that were blessed to have known her. RIP Mrs Betty!!*

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*
