

Betty Ann Howard

February 28, 1943 - December 13, 2020

Betty Ann Howard was born February 28, 1943 in King and Queen, Virginia to the late Ms. Rosa Green and the late Mr. Bruce Hill. She departed this life after a long battle with Alzheimer's disease on Sunday, December 13th, 2020.

Betty was affectionately called "Ann" by her family and friends. Betty was educated in the Baltimore City School System.

Betty loved the Lord and served in various churches on the choir and usher board. In her career, she was a foster parent for 15 years with the Baltimore County Department of Social Services, providing a safe and caring home for dozens of children, many of whom returned to see her as adults. She also worked at St. Joseph's Hospital in the Environmental Services department until her retirement.

Betty's greatest joy was loving and spending time with family. She carried special relationships with family and close friends and a host of extended family and friends, too many to mention.

Her hobbies were cooking, sewing, dancing, movies, traveling, and helping family and friends. She was a ray of sunshine and lit up every room that she entered.

Betty truly loved the Lord and is a child of the King. Her loving presence and her radiant smile will be missed by all.

Barbara, Betty's oldest child, cared for her in the later years of her life until the Lord called Betty home.

She is survived by her sister, Rebecca Miller (Milton), brother, Roger Vaughn,

loving and devoted daughter, Barbara A. Vaughn (David, deceased), supportive and dedicated sons, Calvin L. Fitzgerald (Mikage) and Irvin N. Howard (Juliet), ardent and caring daughter, Chantay J. Harris (Gwen); her grandchildren, Reginald, Danielle, Phillip, Pierre, Danika, David, Stephen, Trayvion, Shainnon, Irvin, Jr., Andrea, Alex, Jordan, Justin; her great-grandchildren, Reginald, III, Reggie, Paris, Milau, Major, Elijah, David, III, Zaire, Liam, and a host of nieces, nephews, adopted family and friends. Believe that all of you have definitely had a very special place in her heart.

For Prayer is hope put to the test.

And hope is Faith and what is best.

Faith is power to do great things.

Thus prayer is faith's enabling wings.
