“ *To the family,
I am deeply sorry for the loss of your dear loved one. Death can be hard to cope with but fortunately we can draw comfort from the scriptures. One particular scripture is found at Isaiah 25:8 which says in part, "He (God) will swallow up death forever". One day soon, God will not only get rid of death, but He will also resurrect our dead loved ones. May this promise bring you comfort and peace during this time of need (2 Corinthians 1:3,4).*

“ Our family would like to express our condolences to The Hubbard Family. May you find comfort from Jehovah God's Word The Bible. He assures us at 1 Corinthians 15:26 that "the last enemy death will be brought to nothing". Our prayers are with your family.

“ Please accept my sincere condolences. I can't help but to think of the joy that will be when God will "wipe out every tear from their eyes and death will be no more" (Revelation 21:4) and then bring back "all those in the memorial tombs" (John 5:28, 29). At that time, each generation will be able to enjoy countless years together. Again, please accept my sincere condolences.
