“ *Dear family, please accept my heartfelt condolences on the passing of your loved one. Death is such a heartbreaking situation, that we can never come to grips with. It's like an unreality to know we cannot see our loved ones anymore. This is why Jesus Christ died for us, so that we could be done with sickness and death, and have an opportunity for everlasting life. John3:16. One day our loving father, Jehovah God, will put a permanant end to sickness and death, and no more will we have to feel the deep pain of losing a loved one. May it comfort you to know that there is a rainbow over the horizon, and you will see your loved one again.##imported-begin##R Johnson##imported-end##*

“ My sincere condolences to the family and friends of Ms. Donnelly. It is truly unfortunate that you have to experience such a tragic loss. Please be comforted by Almighty God words which says at Isaiah 25:8, "He will swallow up death forever...for Jehovah himself has spoken it." Yes, Almighty God will eradicate death forever and will make it possible for our dead love ones to be resurrected under peaceful conditions. (Acts 24:15) Yes, it will truly be an embracing event.##imported-begin##V Adams##imported-end##
