“ *I am very sorry to learn of the death of Betty. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ I am so sorry that you lost your loved one in death. I too, have lost loved ones so I truly know how it feels. Please know that your heavenly father knows more than anyone the pain and sorrow you are feeling, that is why he sent us his beloved son Jesus; that through the ransom sacrifice he made for us we could have an opportunity to see the end of death forever, and the chance to receive eternal life in paradise. May it comfort you to know that Betty will awaken from the sleep of death according to John 5,28,29. Please know that by our obedience and faith in Jesus and Jehovah we will be reunited with our loved ones again. May their love, and your precious memories help you to cope.##imported-begin##R Johnson##imported-end##

“ To Ms. Serita, Sierra and Shakita, I know that you will miss your mother and grandmother very much. Rest assured that she is in a better place, doing what she loved best. Praising the lord, and being the best person that she could possibly be. Also rest assured that she is watching over you, and keeping you in her loving arms. Let your memories of her be comfort to you. I know that there are an abundance of them. Even in her last days. She knows that you loved her, because you showed her that until the very end. If you need anything don't hesitate to call. Love ya, Ms. Kilette##imported-begin##Michele N. Kilette##imported-end##
