“ Ma, to come to this site and still be able to access your obituary and photo means a lot to me. I will forever miss you and all you did for me and my brothers. You were a helping hand and committed friend to all who knew you and loved to laugh. I always hear your voice and wish I could hug you and tell you I really do thank you and miss you daily but more since I have grown up. You gave us a lot of years that some do not make it to see and I finally understand your ways and why you always said, "You gonna miss me when I'm gone". You were definitely right Ma!!! Forever loving you Grandma Bee!!!!.

Love,
Your Great Granddaughter and Daughter, Michelle

“ Family, I'm so very sorry that you lost your dear Betty. One day God promises that we can see our loved ones come to life again in the ressurection. He sent us his son Jesus, not only to die for us; but to teach us his father's purpose for us. He also demonstrated what he will soon do for the dead, by bringing them back to life. He ressurected many people while he was here; including a little girl, and the only son of a widow. mark 5:38-43. All authority has been given to Jesus, by his father, Jehovah, to ressurect the dead. Jesus said, "For just as the father has life in himself, so he has also granted to the son to have life in himself. Then he says, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his (Jesus's) voice, and come out." John 5:25-29. Jehovah never desired for any of us to die, and one day his purpose to have a paradise earth full of happy, peaceful people; living forever in security will be fulfilled. Psalm 37:10,11, Isaiah 45:18, 2nd peter 3;13. May you be comforted by this wonderful promise.##imported-begin##R Johnson##imported-end##
