“ Ms Betty was such a sweet lady. When I arrived at the Richmond HUD office October 2012, she said young lady welcome. I could hear her coming in the morning shuffling her feet as she walked past my desk. Such a sweet person. I still have the books she gave me when she retired. Condolences to her family.

“ My condolences and prayers to the family. I will always keep the memories of our talks, you would ask about my family and shared stories of your life with me. You were so sweet to bring in fresh apples to share with the staff. May you rest in peace, Love Sherlon Ligon-Ayala (former Richmond HUD Office).
