“ To my friend, Ann West . You took extraordinary care of your mother and were her advocate and companion. No one could have matched your determination and love and kindness. Take comfort in the joy and care you provided to your mother. You and your family are in my thoughts.

“ I saw Ms. Beulah's radiant smile in the picture above and immediately saw Doris' face. Your mother's goodness shines through her smile. An amazing woman touches the lives of so many people. Her love, kindness, and that wonderful smile will always be remembered because love never dies.
