“ My deepest sympathy I would like to extend to your family. Please know that The God of comfort is aware of the grief that is being experienced at this time but know one day soon he will take all things away that causes so much sadness forever. Death according to Rev. 21:1-3 will be no more. That is a wonderful promise Jehovah God has made. I hope this thought will bring you much comfort.##imported-begin##Carter##imported-end##

“ My heartfelt condolences to the family of Beverly in your hour of grief. Death is truly heartbreaking, and so very hard to come to grips with. My heart goes out to you. Unfortunately, death hits all families sooner or later, and we all long for sickness and death to be done away with. Our loving father Jehovah God has purposed to end all sorrow very soon. Many scriptures tell us of his wonderful purpose. 1st Cor. 15:26 says: "As the last enemy, death will be brought to nothing." Rev 20:14 speaks of death as being hurled into the lake of fire; showing that death will be completely destroyed forever. This has always been Jehovah's desire. Then a wonderful resurrection will take place. The Apostle Paul stated at Acts 24:15, "And I have hope towards God that there is going to be a resurrection." May the hope of seeing Beverly again bring comfort to your hearts, and help you to go on.##imported-begin##R Johnson##imported-end##
