

## Beverly C. Shields

December 5, 1953 - October 3, 2007

BEVERLY SHIELDS, daughter of Ernest and Elinor Friday, was born on December 5, 1953 in Detroit, Michigan. She departed this earth on October 3, 2007 after fighting a number of health battles. After receiving a Catholic education in Detroit, Beverly relocated to Baltimore in 1982. She worked at the Camp Manufacturing Company for a few years before taking on life changing responsibilities of caring for her sick mother. After her mother's passing, Beverly began working in the field of in-home care for the elderly. She cared for a number of patients until she herself became sick. She has been an inspiration to countless people and a member of the First John Tabernacle Church for many years. If you came to know Beverly, you learned very quickly that she was a "tell it like it is person." She leaves to mourn: her husband, Robert Shields; two daughters, Monique Coleman and Sandra Burch; two sons-in-law, Anthony Coleman and Larry Burch; two grandchildren, Natosha and Taylor; three sisters, Lana, Deborah and Sharon; four brothers, Donald, Sharky, Mark and Earl; two godchildren, Johnathan Overton and Tylanah Teasley; three brothers-in-law, four sisters-in-law; a very special person, Antoinette Jordan; nieces, nephews and host of other relatives and friends.

“ Dear sister I remember when mom and dad brought you home from the hospital. We carried you around on a pillow, for you were only 1 pound and 20oz - the size of a coca-cola bottle. The Lord let us have you for 53 wonderful years, and I thank Him for a job well done. Rest now and tell all the rest of the family I look forward to seeing them in God time, for God time is good time.##imported-begin##lana martin##imported-end##

“ Sandra Please accept my condolences for the loss of your mother. We have talked before about your Mom, but it never registered with me she was so young! I did not get a chance to meet your Mom - but I know we would have hit it off right away! You and your family have been and will continue to be in our prayers. In those prayers we ask for God to help you and your family through this very, very difficult time. I know you will have a lot of advise on what to do and how to handle this, etc., etc. The advise - actualy - wish that I have for you is as you and your family are morning the loss of your Mom that you are also able to celebrate your Mother's life. Her loss is obviously a tremendous blow to you all. Please remember how sad and empty the world would be if she were never here at all.... You remain in our prayers... “ Miss Beverly - In the short time that I've known you, our earthly relationship started as a distant friend of your daughter, grew to niece, and ended as YOUR daughter. You have shown me support in my passion when many others who were "supposed" to did not, and asked for nothing in return. Your echoing chant of "Sing that Annie" will now not only ring in my ears, but also in my heart. I know that I will not see you, but your presence will definitely be felt. I have always admired how you were a soldier for any cause that you believed in, and a strong-willed woman who never looked back once you decided your support route for it. What a wonderful feeling to know that you will, without a doubt, be missed by EVERYONE with whom you've EVER contacted, but I know that you are finally at peace with God's almighty arms around you. Many people say this phrase in reflex for the small things that someone may do for them, but for one of the first times in my life I can say the words THANK YOU and know that nothing could be more fitting. Thank you for all that you've done for me and for accepting me into your family. Say hi to Daddy and Ginger for me and give them both a kiss. Love Always, Annie###imported-begin###Antoinette###imported-end##

“ *To my mother, my best friend, my hero and my strength. I LOVE YOU SOOOOOOO Much. Words can't begin to express how much you mean to me. Although you will no longer physically be here with me, the bond and love that we share will forever be in my heart. There won't be a day that goes by that I won't think of you. Although it will be hard here without you, I know that you will see me through, you always do! I thank you for the wonderful years and memories you have given me. I thank you for the unconditional love you and support you have given me throughout my life. Most important I thank GOD for YOU. I will like to leave you with this: Late at night when all the world is sleeping I'll stay up and dream of you I'll be dreaming of you tonight until tomorrow and for all of my life. “ Auntie Tiny I love you dearly you will truly be missed and never forgotten; I try hard to fight the tears but I seemd not to win; I had a glimpse of Heaven in a dream one night. It overwhelmed me It was such a beautiful sight. I dreamed I saw the angels and heard them sweetly sing and the saints had gathered all around to worship Christ the King. And then I saw my loved ones who entered Heaven's door, and then I saw you Auntie Tiny appeared so joyful in your blue that I hoped to see much more. But just a glimpse of Heaven, A land quite far away, I thanked the Lord for this dream of seeing you in Heaven today. Auntie Tiny no more suffering no more pain rest in peace in heaven my sweet auntie one day we will all be together again.##imported-begin##Donnamarie Friday##imported-end##

“ To My Beloved Sister, My wife's Sister-in-law and my kids favorite Aunt As we look back over time We find ourselves wondering ..... Did we remember to thank you enough For all you have done for us? For all the times you were by our sides To help and support us ..... To celebrate our successes To understand our problems And accept our defeats? Or for teaching us by your example, The value of hard work, good judgement, Courage and integrity? We wonder if we ever thanked you For the sacrifices you made. To let us have the very best? And for the simple things Like laughter, smiles and times we shared? If we have forgotten to show our Gratitude enough for all the things you did, We're thanking you now. And we are hoping you knew all along, How much you meant to us.##imported-begin##Donald & Margaret Friday##imported-end##

“ Dear Sandra, Monique and Family, Losing a loved one is never easy and I truly can understand the pain. But one thing we all have to remember is that God is always there to give us His strength. He will never leave us nor forsake us. Ms Beverly was a wonderful and funny person who touched the lives of many people. She will be missed. Ms. Beverly, please say hello to Pop-Pop, Grandma, and Aunt Vi for me, and make sure that Ginger and Champ are getting along. “ I am very sorry to learn about the death of Beverly. I'm sure that this must have been a very difficult time for all of you. I am forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
