“ I know from personal experience, the Johnson family has always been a strong and committed Family. This time has to be difficult and as so many friends, family and associates send comfort your way just know we are hurting with you and for you. To be absent from the body is to be present with the lord. My most memorable moment of Beverly is in 1960 I was eight and she was eleven. We were at first Baptist and I was being me (Chuckie) not wanting to sit by my mom who directed and played the music for First Baptist, Well Beverly looked at me and she said " You better go sit by your MaMa while you can still sit." Take charge Beverly is what I later nick named her, and four years ago we enjoyed a good laugh over it. Rest in heaven Beverley Your memories will never leave us.

Heartfelt Sympathy and Continued Prayers for the Johnson and Lambert family.

My last time seeing Beverly was this past Christmas Holiday. Lem and I stopped by to see Aunt Adele and was so glad Beverly was there. We had a lovely visit laughing and reminiscing about old times. She is now at peace and no more trouble days. My deepest sympathy family. Lots of Love,

Diane and Lemuel Wimbish
