“ There simply are no words in times like these. I am so grateful that our paths crossed many years ago and our friendship lasted till 12/15. I love you and will miss you dearly MIL. As I stated on my flower card I’m going to miss those “Hey girl I’m here” calls as well as the good times we shared while you were here. Never knowing your middle name but it could not be more fitting for the “Ray” of sunshine you brought to everyone you encountered. As the song recorded I’m going to put on my Robe and tell the story how I made it over.. Rest In Peace Queen who more deserving of the Crown

Love Always
