“ Beverly was my dear devoted friend for over 20 years. Beverly had a wonderful sense of humor and she and I would laugh all the time, no matter where we were. We would laugh so much that people around us must have thought we were out of our minds. I will surely miss Beverly but I know she has the angels in heaven laughing right now.

“ Memories of Beverly Spence:
Eric you are a God send, Beverly was so happy that you sat with her in the hospital and prayed with her. God Bless you for caring so totally for your big sister. She knew that you loved her and would make sure everything would be alright. We were best friends since childhood and traveled all over Europe and the Caribbean the past few years. But she was so much more than that to me. She was a big sister and she always had my back as I had hers. I will miss her smile, her crazy jokes, her warmth, her caring, love and most especially her divine "mother wit". She loved her family, her grands and everyone she came in contact with. Bev would give a person her last dime. She fought the good fight and we are all the better for having known her. Rest now dear friend with the angels. We will meet again.

Love,
RA

“ I met Ms. Beverly at the old Mondawmin Office of parole and probation. Ms. Beverly was the kind of person who would share the truth even when you were not ready to hear the truth. Such a kind ,funny and loving woman and I will miss you my friend. To her family I want to say you had a gem of a person and she often spoke so warmly of you all. Please know that I am praying for you as you begin to understand the transition of her life. Peace and blessings to you all Minister Karen Darb.y

“ I met Beverly at the Seton office of Parole and Probation. We would often go out to eat lunch together. We talked about a little of everything. Beverly loved her family and often spoke highly of her mother. She also had a sense of humor that would often brighten my day. Her flair for style will always be remembered. I remember once Beverly came to work without her hairpiece. I said Beverly where is your hairpiece?! She said oh my goodness!! She got her things and ran home to get her hairpiece. She took her appearance very seriously. We laughed about that for months! I transferred to the Guilford Avenue office but I would often see Beverly transporting the files and we would laugh and joke about different things. She will be greatly missed.

“ I like to share a memory of Beverly with her Family. Beverly use to come to my office at 2100 Guilford Avenue, and she would be pulling a suitcase full of folders for delivery. The first time I seen Beverly I would speak and say you are one sharp Lady and she would smile, and that went on everytime she would come to the office. Often she would stop, when I stopped her and we would have a conversation, what a beautiful women. I then found out she had lost her grandsons in a fire I think and I sent her a scriptual over the computer and a mailed card. She came and thanked me. I asked where Beverly was and no one seemed to know and then I read she has passed. I surely will miss Beverly but I look at the Angel the Lord has summoned. A FRIEND LINDA ANDERSON
