“ *To Roberta, and the rest of the family, we want you to know that we love you and are praying for you. Sorry we could not be with you, but our hearts are with you as you and your family go through a third great loss in a year. We know that GOD is bigger than death and because of the victory that Jesus had over the grave, we KNOW that one day we will be together again. May the peace of knowing that God is in control bring a smile to your faces real soon. Love you much, Rob, Teny and Kayla Pringle.*
