

Blaize Marcus Torrence

March 15, 1993 - May 11, 2016

BLAIZE MARCUS TORRENCE, 23, was called home on May 11, 2016. He was born March 15, 1993 to Marcus Torrence and Jennifer Tolson.

He was educated at Henrico High School and later transferred to Fork Union Military Academy. He also attended Virginia State University. To call Blaize a football all-star is an understatement. He was an extremely talented athletic force. Not to brag, well, maybe a little, Blaize set a pull up record at Wilder Middle School, that has yet to be broken.

Blaize leaves to cherish his memory, a son, Latrell Torrence, age 3; his mother, Jennifer Tolson; his father, Marcus Nkubwa Torrence; his stepfather, Kevin Tolson; his stepmother, Lydia Martinez; five brothers, Rashon Torrence, Mason Torrence, Makyle Tolson, Kevin Tolson Jr., Isaiah Martinez; three sisters Layla Torrence, Madison Torrence, Teje Tolson; two grandmothers, "Granny" Pauline Goins and Jaqueline Hardy; a large group of loving aunts and uncles including, his Aunt Cat, Aunt Candy, Aunt Ruthie, Aunt Dana, Uncle Ronnie, Uncle Harold(Howard) and Uncle Kenny, Uncle Duron; a close group of cousins - like brothers and sisters, and a host of relatives and friends.

“ *This still breaks my heart to even be writing. I, along with several others, ran track with Blaize while in high school and he always kept us laughing and he always had a smile on his face. To see this news is truly heartbreaking. I send my deepest condolences to his family and I pray for the strength for us all to find comfort in knowing that he's resting in a better place.*

“ *Our friendship meant the world to me. We learned a lot from one another. Dee n Yayo knew how much you loved them and they will always have those great memories of you. They loved you just as much. You are free of it all now. I will continue to cherish the time that the Lord let me share with you. You will be greatly missed but never ever forgotten. My prayers will always be with your family. Rest easy my friend. You will forever be loved by us and many more.*
