“ *It's been a year now, and I still can't get over it, and I don't think I ever will. Blake was such a great person. I have known him since I was 8-10 years old, and just knowing he's gone hurts so much. I haven't cried so hard before in my life. The day I heard the news, I was genuinely praying nonstop and was hoping for the best, hoping I got to see him again, but I never did. I never even got to say goodbye or even go to the funeral at that. He was my friend, and I miss him. I hope he's forever at peace looking over everyone he ever held close.*

“ *I had the pleasure of being Blake's kindergarten teacher at Bryant Woods Elementary. He brought so much joy and happiness to our classroom and to me. I will never forget his smile and his hugs. May God cover the family during their time of grief.*
