

## Bobby Leon McLeod

September 20, 1947 - May 12, 2003

Bobby McLeod, son of Marie McLeod and the late James Nelson McLeod was born on September 20, 1947 in Robeson county, North Carolina. Bobby departed this life on May 12, 2003 after a lengthy illness. The McLeod family moved to Baltimore when Bobby was of a young age. Bobby, also known as "Hop," received his education in the Baltimore City Public Schools. He went on to join the Army, where he received his GED. After serving his country in the Vietnam War, Bobby went on to further his education and became a professional truck driver, which is what he did until his illness. Bobby leaves to mourn: a loving wife, Carrie McLeod; son, Donnell McLeod Sr.; two daughters, Traychel and Tamika McLeod; and a devoted mother, Marie McLeod. He also leaves to mourn: a brother, Paul Sinclair; three sisters, Thelmarie Dawkins, Paulette Lassiter and Patricia Ann Manokey; six grandchildren, Kelly, Desaire, Donnell Jr., Traychel, TyQuan and Kawon; several aunts, uncles, nieces, nephews, cousins and a host of other family and friends. On May 12, 2003, God took my best friend from me. He loved me, held me, and watched me grow. Then that day he had to go. The greatest pain has rested in my heart. He looked so peaceful the day he had to depart. Although it was not unexpected, it hurts me knowing I have to accept it. I love you, I need you, and I'm hurting so badly because I had to say goodbye to Granddad. Love always, Kelly Your Granddaughter

WHAT WE LOVE ABOUT  
GRANDDAD Donnell: His laugh and kind heart. TyQuan: The way he always made us happy. Kawon: The way he gave us all that ice cream. Kelly: The way

he looked in the Kangol. Trachell: The way he smelled so good. Desaire: The way he dressed so nice.
