“ Your nephew, (JODY), wow this is another heartbroken moment to me just pulling this site up and seeing your name here has got me in a world on emotions. The last time we talked was about your surgery, and i told you that love you and that you will be ok, knowing you wouldn't be, it's was very difficult to hear you get emotional and I'm so glad you called your road dog up that day, because I know you uncle and you never really broke down from anything and I Love you Uncle Nat and I'm going to miss the chicken boxes and the conversation we had, but I'm going to always remember you and laugh and 😭 at the same for some of crazy and wild things we use to do, as I'm trying to finish and write this ,I m just losing it. I know you are in a better place now and you tell family to keep watching over me ,because God knows my heart is totally broken. Till we meet again, Love you Natty Boy
