

Bonnie Ann Morris Foreman

October 30, 1969 - October 30, 2024

Bonnie Ann Morris Foreman was born on October 30, 1969, in Richmond, Virginia to the Reverend Dr. Melvin E. Morris and the late Linda Bradley Morris. From this union, they had three children Monica, Bonnie, and Justin. On October 30, 2024, Bonnie departed this life at Virginia Commonwealth University Health Systems, formerly known as the Medical College of Virginia (MCV).

At an early age, Bonnie attended Pilgrim's Journey Baptist Church where she accepted Christ as her personal savior. Bonnie attended Henrico County public schools and graduated from Hermitage High School in 1987. She participated in many activities in high school, to include being a Hermitage Panther Cheerleader and Wrestlerette.

Bonnie graduated Cum Laude with a Bachelor of Science degree in Biology from Virginia Union University in 1991. Subsequently, she attended Pennsylvania School of Optometry and transitioned into pursuing nursing. She was accepted to Temple University where she received a Bachelor of Science in Nursing in 1996. She worked as an Oncology Nurse for Temple University Hospital at the beginning of her career and later received her license in Nursing from Virginia Board of Nursing and began working at Medical College of Virginia, now, Virginia Commonwealth University Health Systems in the Mother Infant Unit where she worked for over 27 years. She received

numerous accolades for her exemplary service as a registered nurse and was well-loved by staff and patients.

On December 28, 1992, Bonnie married Steve Foreman, III. They have been married for nearly 32 years. From this union, they had one child, Olivia Lynda Foreman. Bonnie was a resident of Glen Allen, Virginia.

She later started attending Abundant Life of Christ Church (ALCC) and accepted the right hand of fellowship in the early 1990's. She became a member where her in-laws, Apostle Steve Foreman and the late Lady Olivia Foreman, were pastors.

Mrs. Foreman was an active member of ALCC where she served as an advisor to the church regarding health and nutrition through the Abundant Lifestyle Health Ministry. She led health clinics, conducted health screenings and helped with blood drives at the church. Bonnie also taught workshops to educate parishioners at the Power-Filled Women Conferences. She taught Children's Church and also sang in the Adult Choir.

Bonnie was one of our queens and precious jewels of our family. We will miss her beauty, love and that beautiful smile that could light up a room, but most of all just her being.

She leaves to cherish her memory:

- her husband - Steve I. Foreman, III
- her daughter - Olivia Lynda Foreman
- her father - Reverend Dr. Melvin E. Morris
- her sister - Monica Morris, Alexandria, VA
- her brothers - Justin Morris, Mechanicsville, VA, Michael Clark (Lillian), Bryant Tinsley (Terlyn)
- devoted nieces - Janelle Ball-Morris and Mariah Casanga

- devoted uncle - Earl Morris, Sr. of Powhatan, VA; and brother-cousin, Earl Morris Jr. Cumberland County, VA
- devoted aunt - Elizabeth Howell, Manakin Sabot, VA
- aunts - Juanita Trent (Earl), Powhatan, VA; Hazel Williamson, Chester, PA; Clara Morris-West, Cumberland County, VA; Harold Morris Sr., Chester, PA
- father-in-law - Dr. Steve I. Foreman, King William County, VA
- brothers-in-law - Adrian 'Gary' Foreman (LaTanya); and Isaac Edgerton
- sisters-in-law - Kimberly Foreman Smith (Otis); Monique Foreman Folston (Ira)
- and a host of nieces, nephews, cousins, co-workers and friends.

Bonnie's life had a profound and significant spiritual impact which is evident by her having the same birth and death date. There is a spiritual meaning that can include themes of transition, spiritual rebirth, divine timing, and the interconnectedness of life events. This phenomenon is often perceived as a full circle – the concept of a life coming to its natural and complete conclusion. This special occurrence is culturally believed to mean that one has completed their life's mission. Bonnie fought a good fight. She finished her course. She kept the faith. Now, she will get her crown.

2 Timothy 4:7-8

7) I have fought a good fight, I have finished my course, I have kept the faith:

8) Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.

“ *Dear sweet Bonnie the absence of your presence will be missed greatly. Your smile and infamous giggle could bring a smile to anyone's face, even on rough days talking to you I'd always feel better. My time on M8E with you was a gift that I will always cherish. You lit up any room you walked in and your love of nursing shone brightly. The world lost an earth side angel when you left, but now it's time for you to take care of those in heaven and bring them smiles too.*

“ Bonnie was one of the most genuine, compassionate and joyful people I have ever known. Working alongside her was always humbling and a reminder that we as nurses care for people in their most vulnerable moments in life. She led by example in always striving to give nothing but her best. She even managed to care for some especially difficult patients with patience and grace, never speaking ill of anyone. Bonnie always treated every patient as if they were her own family and friends, giving them great care and sincere connection. Her legacy will live on through all of the lives she has touched. It was an honor to know her work alongside her. Let us all look to her life as inspiration. I know I will be asking myself “how would Bonnie handle this” especially on the difficult days on the Mother/Infant unit.

“ To Bonnie's family: I worked with Bonnie on the Mother/Infant unit at VCU Health for over 20 years. She also personally took care of my sons after they were born. Bonnie was a bright light on our unit, always offering a smile or a helping hand to her patients, coworkers, and friends. Bonnie never complained about her strenuous and often demanding job. She always sought the best for her mothers and babies who she cared for. Bonnie was also a proud mother and proud wife and spoke of her family often. She will be greatly missed.

“ To Bonnie's family - I worked with Bonnie on the Mother/Infant unit at VCU Health for 15 years. Bonnie was one of the sweetest, most caring nurses. She exhibited compassion for her patients in showing that she only wanted the best for them. I'll always remember her smile and her ability to see the good in them despite their troubled circumstances. I offer my condolences and prayers and know that God will see you through this difficult period.

“ *My deepest condolences to Bonnie’s family. I had the pleasure of
orienting her when she started her nursing career on M8E and then
3 years ago my daughter had the pleasure of working with her on
the same unit. Bonnie was the sweetest most humble nurse. Rest
easy sweet lady.
