“ *My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. “ To the cherry family: You are in my thoughts and prayers, in the loss of your loved one. Brandon was one of the best of many students, to come out of the Baltimore city public school system. He was one of the finest, and will always be proof that like him there are hundreds of good students in the schools, who can and do make a difference in both the schools, and society. You have the support, thoughts and prayers of many of those who knew and loved him. May you find strength thru the prayers of friends, family and loved ones to move on and know that he will never be forgotten. ##imported-begin##Min. Cannon##imported-end##

“ To the family of Brandon Cherry, I offer my deepest condolences. It is truly unfortunate that we experience the sorrow associated with the loss of one we love. During times like this, my family and I have been able to find comfort in the hope expressed at Acts 24:15. There Paul said, "And I have hope toward God...that there is going to be a resurrection..." This is the hope that provides us with comfort and I hope it will provide comfort for you also. ##imported-begin##Gwen Winston##imported-end##
