“ *So very sorry to hear of Brenda's passing. Brenda and I were roommates at MGH school of nursing back in the day. I remember Brenda to have been a bright student and an excellent nurse. The profession has lossed a great nurse. May she RIP.*

“ It does not seem that long ago that I worked with Brenda in the Cardiac OR at Hopkins. She was definitely missed when she left to go to University. She was an excellent nurse but also a great co-worker. It was always a good day to be working beside Brenda doing a case because she was always professional and caring. We tried to contact Brenda in July as we had the first Annual JHH Cardiac OR luncheon. We thought the reason that we did not hear back from her could be because of her illness...now we know for sure. Stanley, please accept our deepest sympathies from Bill and I. I am currently out of town and therefore am unable to attend her wake.

*I will keep you and your son and the rest of your family in my prayers. I know that Brenda is good hands now and receiving her reward for a lifetime of good works and love.*

*Sincerely,*
