“ Please accept my condolences for your loss. The Bible can be of much comfort at this time. Ezekiel 18:32 informs us that God does "Not take any delight in the death of someone." This means that Almighty God does not take our loved ones away from us. In fact he promises to destroy death and resurrect many. Acts 24:15 says- "And I have hope toward God, which hope these [men] themselves also entertain, that there is going to be a resurrection." For some there will be a resurrection to heaven and others will come to life on a peaceful paradise earth. (Psalm 37:29, Matthew 5:5 and Luke 23:43) May you receive much comfort and strength as you think about these beautiful words from the Bible.##imported-begin##Sharon Hill##imported-end##
