

Brian Hendrick, Jr.

July 2, 1975 - January 8, 2021

Obituary

With our deepest sorrow, we announce that Brian Hendrick, Jr., age 45, our most beloved husband, Dad, son, family member and friend, passed away on Friday, January 8, 2021 as a result of complications from cancer, which he battled with courage and dignity.

Those who knew Brian, even just a little, lost a shining light in their lives. He had an energy that even just one encounter with him, you would remember him for life. We reminisce about his contagious smile, the sheer pleasure of his company, how good he made others feel and how much we will miss him.

Brian will be missed every day by his wife, Jennapher Turner Hendrick; his 3 children Brandon (22), Jaelyn (20), and Amauree (4); his Mother Gwendolyn Hendrick; his in-laws, Howard and Lauree Martin, his brother and sister in-law Candice and Jose Henderson; his best friend and sister-cousin Jaideysh Powell Hector; his loving aunts and uncles, cousins and many, many great friends.

We know Brian is now with his Dad, Brian Hendrick Sr., his grandparents, George and Doretha Maclin and Sarah and Walter Hendrick, and is loved here on earth as well as in Heaven.

May Brian remind us that when we lose someone we love, we must learn not to live without them, but to live with all the love they left behind, until we meet again.

“ Hey brother B, I know you have left this earthly place for that heavenly one, but I just want to say how great of a friend, coworker, and brother you have been over the last 20 plus years. You were the first person I met when I came to VZ, you trained me in the CLEC copper era, you helped me when I was on my own and lost in the world of poles and wires. I cherished every time we hung out and hooped on the weekends, getting to know family and kids. I am sorry I /we did not get to meet the new wife and the addition of the new child, but the pics and stories live forever. Thank you also brother for taking the time, energy, and intestinal fortitude to call me before you fell into your eternal sleep, thus allowing me to prepare for life without you, that was just the type of man you were and will be forever missed, love you dude. No more pain no more worry. Love Buddy and family
