“ *Brian and Nanette our prayers go out to you and you family, but although you might find little solace in the why behind your sorrow. The one you love is gone from here, and this changes not tomorrow. If loss comes, too, with tragedy, its harder even still, to believe such pain was preference, much less somebody's will. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.
