“ Please accept my condolences for the loss of your loved one. The Bible offers much comfort and hope even during the dark days of bereavement.(Romans 15:4) First Corinthians 15:26 assures us that our enemy death will be destroyed. Acts 24:15 is one of many scriptures that tells of the resurrection. It declares- :*"There is going to be a resurrection."* May you receive much comfort, hope and strength as you read and ponder over these and other loving promises found in the Bible.###imported-begin##Sharon Hill##imported-end##

“ To The Corbin Family: May Jehovah God be with you during this difficult time. God revealed in his word the Bible that it is his purpose that those who have fallen asleep in death be restored to life by means of a resurrection. Jesus Christ himself said at John 5:28&29 that "all those in the memorial tombs will hear his voice and come out." When a loved one dies, the Bible acknowledges the grief that a person can feel. Jesus even wept when his friend, Lazarus, died even though he knew he had the power and he intended to bring him back to life. Because of the promise of a future resurrection, I hope that your sorrow is not unrelenting. You can always draw close to God in prayer for comfort, and the Bible promises that "he himself will sustain you." Psalm 55:22##imported-begin##Chandra Murphy##imported-end##
