

## Brianna A. Felton

April 24, 1991 - January 3, 2018

Brianna Alexis Felton, daughter of Walter and Jayne Felton, was born in Baltimore, Maryland on April 24, 1991. She was affectionately known by her family and friends as “Bre” or “Bre Bre”. She departed this life suddenly on January 3, 2018.

Brianna received her education at Edgewood High school in Harford County, Maryland. Upon completion of her education she held various temporary jobs until she became a full time employee at the Social Security Administration. Brianna was introduced to Christ at a young age and was baptized at the Fountain of Life Fellowship church in Edgewood, MD.

Brianna was best known for her jovial personality and ability to make others laugh. As a child, she loved to tease her brother Justin and gave him the pet name “Guppie”. She was an excellent softball player and could knock a ball out the park. However, she would make us laugh because she would hit the ball and then want someone else to run for her.

She had a big heart and was always sympathetic and protective to those she loved. She believed in keeping it real and just being herself. She loved to eat, especially mommy’s mac and cheese, and always looked forward to spending time with her daughter, Cienna.

God has removed a limb from our family tree. Yes, God gave her to us, but now we must give her back.

She leaves to cherish her memory: parents, Walter and Jayne Felton, a beautiful daughter, Cienna Jayne Felton, one brother, Justin Felton, a sister-

in-law, Victoria Felton, three nieces Jailah Vaughan, Zaire and Rylee Felton; her longtime friend and companion, Clifton Rorie, five aunts, four uncles, and a host of nieces, nephews, cousins, and friends.

Today, why don't you love a little deeper, laugh a little louder, hold the ones you love a little tighter, because tomorrow is NEVER promised.

Matthew 6:34

“ Brianna and I worked together at SSA but felt like she was my younger sister. We was not only friends at work but out of work. She had the most beautiful soul and personality. Always accepting of others and willing to fight for what is right. I remember when we went strawberry picking with our girls and we had a blast in the rain picking strawberries in the mud. She always knew how to make us laugh and smile. Her absence will truly leave a hole in my heart. My condolences to the Felton family. May God continue to provide peace and strength during this time. Bree I will miss you always love you girl -Eva-
