

Britney Fernia Green

May 28, 1986 - March 20, 2004

Britney Fernia Green was born to Rosalind Lee Shelton and Ricky Edward Green on May 28, 1986 at Sinai Hospital. She attended several schools, Baltimore Junior Academy, Mt. Washington Elementary School, Greenspring Middle School and Northwestern High School, but due to her illness, The Upton School was constant educational source. Britney has always been a very spiritual person. At the age of 9, she accepted Jesus as her Lord and Savior and was baptized at New Psalmist Baptist Church by Reverend Dr. Walter S. Thomas, Sr. She continued her quest for spiritual guidance and knowledge throughout her life. Although Britney's life here on earth was brief, during her short stay she touched the lives of many people through her courageous and loving ways. Britney was diagnosed with illnesses that were life challenging; she received a liver transplant at 2 years of age and heart transplant at 15 years of age. Throughout the many hospital stays, health crises and trying times, Britney never complained and refused to give up. Instead she courageously accepted the burdens of her illnesses at the same time possessing amazing character and inner strength. Remarkably she was able to give comfort and strength to those around her. Britney inspired, touched and amazed family, friends and strangers. She knew that it was not the years in your life, but the life in your years. On Saturday, March 20, 2004, Britney achieved her purpose in life. Britney was a loving person. She had a strong yet gentle spirit. She was bright, funny and direct. First and foremost, Britney loved her mother. Even as Britney became more independent, she

loved to spend quality time with her mother. They especially enjoyed going to plays together and being first in line for a good movie. Britney's favorite pastime was shopping. Britney shopped at a majority of shopping Centers in the Mid-Atlantic region. When she received her license in October 2002, she was ready, willing and eager to drive without fear of hesitation. She took full advantage of everything offered to her. She always had time and a great love for children. It was not unusual for Britney to spend all her spare time with her cousins, Xenaiya and Khajia. She was even present in the birthing room at their births. Britney's life will forever be cherished and celebrated by: her mother, Rosalind Lee Shelton; her maternal grandparents, Andrew (Pop Pop) and Ethel (Ma Ma) Shelton; her maternal great-grandmother, Ethel M. Bradley; three great aunts, Brenda Wilmore, Lacey Fitzgerald, and Shirley Shelton; two aunts, Angela Shelton and Lisa Shelton; her very close cousins, Donell Butler, Jatreia Long, Bryant Shelton, and Sandi Scott; her special friend, Kelvon Gant; her father, Ricky Edward Green ; her paternal grandfather, John Edward Green; two sisters, Alvita Haynie and Leta Jones; her brother, Elgardo Green; her aunt, Joanne Green Torry; her uncle Wayne Green; and a host of other relatives and friends.

“ To the family and friends of Britney, please accept my deepest sympathy for your loss. Your daughter sounds like she could have been mine. I too have a daughter who although went to BCPS spent many days with her CHIP teacher through the Upton School. Due to sickle cell my Lezli has endured many hospital stays, strokes, upward of 15 different surgeries and so on. Fortunately, at the age of 19 she's still with us. These young people seem to have wisdom way beyond their years and seems to touch others in ways we cannot understand. Your baby was beautiful and my heart goes out to you and your family. This enemy, death has no boundaries and the "sting" it brings with it makes life unbearable to deal with at times. I can only imagine how big the void is and as time goes on hopefully you'll be able to fill it with memories of the goodness of Britney. If I may share a comforting thought from the bible with you it would have to be Isaiah 26:19 which says, "Your dead ones will live. A corpse of mine-they will rise up. Awake and cry out joyfully, you residents of the dust!" Very soon our Loving Creator WILL allow us to have back those death has taken from us. May we all look toward that time and put faith in that promise.##imported-begin##Denise Dukes##imported-end##

“ Hello Family & Friends , I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at John 5:28,29 where Jesus says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." May you be comforted by this scripture.##imported-begin##Sophia Briscoe##imported-end##

“ My condolences to the family on the loss of your dear loved one. The loss of a child is a terrible trauma to the parents. The Bible gives us some comfort in this regard: Malachi 3:16 informs that God will not forget our loved ones, He has a "book of remembrance". Another scripture says: "Your dead ones will live... They will rise up."- Isaiah 26:19 May these loving promises support you in the days ahead.##imported-begin##Sharon Hill##imported-end##
