“ *I worked with Bruce at the State of Maryland from 2008 to 2016 and have so many good memories of him, he was a gentle giant. Bruce and I spent many happy hours together after work at Applebees and Jillys. Bruce, thank you for your friendship, thank you for the memories, and thank you for all the laughs. I know you are looking down at us now, with Jesus by your side, laughing at all the foolishness we had to deal with at DPSCS. God bless you, and god bless your family. See you soon my brother.*
