“ I was shocked and saddened to learn of Bruce's passing. I did not know Bruce well, but I always enjoyed his warm greeting and great attitude at the front desk of my building. In a place where you often hardly know your neighbors I cannot tell you how important it is to have someone there with Bruce's readiness to help you. Deepest condolences to the entire family at this difficult time.

“ I love you and I will miss every little thing about you down to your loud outbursts of laughter and non-stop talking. But most of all, I will miss your caring heart and your presence. I know that you are with us in spirit guiding us through this hard time. 17 years of knowing you will forever be etched in my heart. The girls (Breona, Mercedes and Karlie) are missing their step-dad too. We will never forget the joy you brought to our lives.
