“ *Well it is Sept 15th 2010 and it is the eve of the day that our son walked out of my apartment and never returned home. How can it be that I could loose two significant men in my life whom I LOVED MORE THAN LIFE! I am so mad that both of you left me. I am alone BABY...you promised me no matter what that I would not be alone. People have moved on and I am now a candle in the wind. I have chosen to step back and let family move on with the new additions to the family. I am not going to continue on this journey because it hurts to much. How could you leave me to stand alone with all of this stuff. I have left your name in honor and respect and I know you were a TERRIFIC father but you left me ALONE and I failed as a mom. I have failed our children. Why did you have to go???? We could have kept B here and Nick out of harms way but what failed as parents! I loved you more than life ...you were my first and only TRUE love. I will never find anyone to love me the way you did. I miss you Baby. I want you and my Lil B back....I feel like there is nothing left for me. Please come visit me in my dreams...its been a long time!!!! Love your Babygirl!*

“ It is April 9, 2009, a Bitter Sweet day for me... it is my Birthday and six days away, from a four year departure. I reflect about OUR life and would do ANYTHING if I could just hold you and talk to you ONE MORE TIME. I miss your smile , sparkle, and your touch. It is so hard , I used to have our son to remind me of you... his gestures, smile , and laugh were you. Now I have to rely on video night at Mom's to feel close to both of you. I am eternally grateful for being a part of the EDWARDS unit. You Loved Me Unconditionally, and gave me the gift of your family. I am forever BLESSED to be a part of such loving family and friends! I miss you and Lil B mentally, physically, and emotionally. My pain is so DEEP that it has depleted ALL of my inner spirit. How am I suppose to go on without my guys? Baby PLEASE give our son a GREAT BIG HUG and KISS from me and tell him that Nick cries when he thinks I am asleep. I know GOD's reward is plentiful, so enjoy and remember this I love you Always and Forever... Your BabyGirl and Wife for Life! Come to me in my dreams... “ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.###imported-begin##Carter###imported-end##

“ Please accept my condolences for your loss. Death is the enemy that we never get used to. But the Bible gives us hope for a resurrection at John 5:28-29 where Jesus promises that, "the hour is coming in which all those in the memorial tombs will hear his voice and come out". This scripture has brought comfort to many. I hope that this will comfort you as well###imported-begin##Senita Swann###imported-end##

May you find much comfort and hope from this divinely inspired promise.##imported-begin##Sharon Hill##imported-end##

“ Hello Family & Friends , I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at John 5:28,29 where Jesus says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."
