“ *Dad. I woke up today with you on my mind. Thank you for making everything work out for me. That means more to me than you know. You came to see me last night, to let me know your okay, and your still a goofball 😂. I love you and miss you so much. But I know time heals all, this is just gonna take me a while to accept. But you don't have to worry, I'm gonna take care of your grandson to the best of my ability. I know you've got your eyes on him and my family. This isn't goodbye, just see you later. I GOT YOU. ❤️😭*

*“ Bryan I’m sorry you didn’t get to meet your nephew Noah James Johnson. I will always cherish the times you spent with James following in Big Ray’s footsteps by taking him fishing after the loss of his father your brother Jimmy. RIP you’re already deeply missed.*

*Love Lisa*

*“ Gone to soon!! I thought you would live to see our grandson grow up together but GOD has other plans for you. GOD knows best. I will always treasure our good times, conversations, text messages and love. I’m glad you got to see and spend time with our grandson Kamdyn. Kamdyn will know his crazy granddad. I know you loved Alston and Kamdyn very much as you told me all the time. I know you will be looking over them both. As you always said to me “Patty I got him”. I will protect them both with everything I have. I will keep our family’s in prayer. No more monkey on your back. You know what I mean. I will miss you and your crazy laugh. Rest In Peace. Love Patty*

*“ We the March Family and Staff wish to extend our deepest and heartfelt sympathy in the passing of your loved one. Our prayers go out to you and your family in your time of loss. We know and understand that you have received many expressions of love and we will continue to lift you up in prayer. May the memories you cherish of brighter and happier days help to ease your sorrow and comfort you always.*
