

Calvin Jeffries

December 27, 1949 - April 26, 2020

Calvin Jeffries, 70, of Richmond, Virginia peacefully began his eternal life Sunday, April 26, 2020, proudly wrapped in the love of his devoted family. The youngest of 15 children, Calvin was born December 27, 1949, to Betty Winston and George Williams.

Calvin was outgoing and outspoken; an alpha male who didn't mince words; who said what he meant and meant what he said. For the perfectionist, it was imperative to teach his children to "do it right the first time and you won't have to go back and do it again." He was firm, yet very loving, nurturing, and told his children often, "I love you".

As a wise father should, he positively impacted their lives; taught them to be confident and good stewards of their money — "Save some, don't give it all away." He was a tremendous role model for them. He molded his sons into strong, good men, encouraged them to take care of themselves and go to the doctor regularly. He advised his daughters, "Always stand up for yourself. Find a good man but make your own, so you don't have to depend on a man. Be a leader not a follower."

He loved spending time with family and friends. His favorite activity was simply living life to the fullest. He also enjoyed the quiet of fishing and was a music lover. From time-to-time delighted those nearby with acupela sounds of his favorite songs. Though he loved having a grand time, Calvin was also a dedicated Philip Morris employee for 35 years.

Calvin was preceded in death by his daughter Tammy Melton. He leaves many cherished memories to: two daughters, Tai Jeffries and Brandi Bell; four sons, Stuart Jeffries, Calvin Jeffries Jr., Kevin Brown and Brian Tiller; three sisters, Verlana Jeffries, Marie Cornish and Sylvia Henderson; a host of grandchildren, great-grandchildren, other relatives and friends.

“ *Brother Kingie was my partner beginning when I came home from Vietnam in the 70's. I can't remember us ever having a cross word. He and I shared many adventures which I won't share here but I could count on him to have my back no matter what. Whatever you asked of him if he was in any position to do it he would.
