“ I send my warm and heartfelt condolences to the family. We all long for an end to sickness and death, because it has been plaguing mankind for far too long. People are suffering the world over, and we certainly need relief. Can anyone bring us up out of this darkness? No matter how well-meaning scientists and doctors are, they can't figure out why we die, and they can't find a cure for all these diseases we have. The true answers belong to the only one who can help us, and that is our creator. Psalm 68:20 says of him: "The true God is for us, a God of saving acts; and to Jehovah, the Sovereign Lord, belong the ways out from death." So only the one who could give us life, would know why we die, and have the power to end death. The bible says at 1st John 4:8 that "God is love" So he has the power and the desire to end this enemy that causes us so much pain, and he promises that he will do so very shortly. 1st Cor:15,26 says this, "As the last enemy, death will be brought to nothing." By means of the resurrection, Calvin will live again. At John 11:25 Jesus said: "I am the resurrection and the life. "Everyone exercising faith in me even though he dies, will come to life. May these wonderful promises from God sustain and strengthen you in the days to come.##imported-begin##R Johnson##imported-end##
