

Carlos A. Cox

November 16, 1958 - March 1, 2021

On Monday, March 1, 2021 at 11:00 pm, at the University of Maryland Medical Center in Baltimore, Maryland with his family at his side, Carlos A. Cox quietly entered into eternal rest.

Carlos A. Cox was born in Louisville, Kentucky on November 16, 1958. He is the eldest of four children born to Jessie Ann Cox. He attended Shawnee High School in Louisville, KY before joining the United States Army Reserves. After his military tour of duty, Carlos moved and lived in various cities like Chicago, Milwaukee, Los Angeles, Phoenix and finally settling in Baltimore, Maryland. The last city he would call home. Carlos worked on the Baltimore docks unloading foreign cars from around the world for almost 15 years.

Carlos lived his life the best way and the only way he knew, cool, calm and collected. His daughter, Carmen would describe her dad as funny, brave, strong, helpful, and a hero, but most of all her best friend. In her darkest moments, her daddy, was the hero who came to her rescue. He was an awesome father and grandfather that everyone loved and admired.

Carlos married Charlene Cook on Saturday, July 22, 2006 in Baltimore, Maryland.

We will miss our brother, father and husband who was always available to his

children, grandchildren, immediate and extended family. He adored his family and cherished his friends who span from the West to East coasts of the United States. His will be dearly missed but his presence will be forever etched in our hearts. His coolness, smile, laughter and comedic jokes will be stained in our memories for as long as we can remember.

Left to cherish his memory are: a devoted and heartbroken wife, Charlene Cook, three brothers Owen Gore, Frank Murphy and Brian Kimball (Monet); daughters, April Washington (Jimmy), Carmen Gardner, and Linda Cox and one son Christopher Washington; stepson Troy Cook and a host of grandchildren and great grandchildren who will pass his life story on to generations yet to come.

Thank you, Carlos, for being the spark in our hearts that made us smile when we were down and the motivation to keep moving on when times were hard.

You are forever loved

Carlos, we had an interesting life together. We struggled to get our footing when we moved to Baltimore. But we made a life of laughter and love. You were always patient and loving to my family and that made me love you more. Did not think you would leave 1st. I hate the fact i have to find a way to go on without you. I hope you are at peace being with those who left before you. You will always be in my heart. Jax and are trying to move pass the sadness and remember all the joy we shared.

“ Thank you Cuzzo for the memories. We were more than just cousins growing up together. To me you were like a little brother. The memories were too much to be told in minutes.

We go a long way back. Elementary school playground scuffles. Junior high school trying to find our place in the mix. Summer camps and high school thrills. We came along way and now you've gone on. It is my sincerest hope and prayer that the family and loved ones you leave behind will be comforted by the knowledge that the friends you touched along the way will be rooting for them and praying with them. It's been a great journey. There's been ups and downs but always going forward. Now as you take your final rest I say God bless and God speed.

Carlos words cannot express how much you will be missed. I remember when we were children and i would get so excited to know that I was going to grandma's house but even more excited because I loved hanging around my favorite cousin in the world! We had some great times and last year when you were in Louisville for Dads funeral i enjoyed our time of catching up and hanging out. I laughed so hard as you and I shared about the old days. Carlos I love you! Rest easy cuz! God has you now and I know you are dancing with the Angels in Heaven!

Carlos we had so many plans, many i wont do without you. I thank you for taking the chance on me. You were as adventurous as i was, to come with me to Baltimore from Phoenix. We had 20 yrs together in Baltimore. You were good to my grandkids. Never complaining about time or money i spent on them because family was important to you. We had lots of good times and made great memories for the family and happy memories for me. Those memories will bring me comfort always. Rest in peace my love. I will see you again. Your loving wife, Charlene
