

## Carlton Whitehead

February 9, 1957 - December 16, 2023

Carlton Maurice Whitehead, was born on February 9, 1957 in Richmond, Virginia. He was preceded in death by his mother Daisy Morton Whitehead and sister Ella Ratliff.

Carlton received his formal education in Richmond Public Schools in Richmond, Virginia.

He accepted Christ at an early age. Carlton was united in holy matrimony with Alva “Maxine” Whitehead on July 4, 2001 in Richmond, Virginia.

He was affectionately known as “Mann” by his family and friends that loved him. Carlton epitomized the roles of a loving and committed husband, father, grandfather, son, brother, and friend. He will be remembered fondly for his radiant smile, easygoing personality and uplifting words. He served as our family protector.

He retired from Richmond Public Schools (RPS) as a Crew Chief after 20 years of dedicated service. Previously, he worked as a Yardman for the City of Richmond Plant Services.

In his leisure, he enjoyed spending time with his family, painting football helmets and listening to music with his friends.

He leaves to cherish his memory: his wife, Alva "Maxine" Whitehead; daughter, Alisha Gray-Johnson; two sons, William Gayle and Carlton Peebles; brother, Michael Whitehead; sister, Vivian Thomas; and a host of grandchildren, nieces, nephews, cousins and dear friends.

May the roads rise up to meet you,  
May the wind be always at your back,  
May the sun shine warm upon your face,  
May the rains fall soft upon fields  
And until we meet again  
May God hold you in the palm of his hand.

“ I knew Carlton because we both worked at Thomas Jefferson, where I taught for 34 years and where Mr. Whitehead was a student and after graduating was the crew chief for the night staff. When alumni returned to TJ for part of their reunion weekend, Mr. Whitehead worked with me to get everything set up in the building and auditorium. When I would arrive on Sat. mornings, he had everything set up--restrooms, cafeteria, gym, and certain classrooms unlocked, projector moved to the auditorium, and speakers stand in place. During the alumni luncheon & tour of the building, if I needed Mr. Whitehead all I had to do was call him on the walkie talkie and he was quick to respond. He was always so thoughtful and a pleasure to work with. He was a quiet presence I could rely on. He will be missed.
