“ Jackie and Patrice, I thank God for placing Carlyle in our lives - mine, Brandon's, Christopher's, and Jonathan's - and I thank you two for sharing Carlyle with us. We loved Carlyle! He was a most significant and special part of our lives. Brandon, Christopher, and Jonathan, could not have had a better uncle. He was there for birthdays, graduations, baptisms, holidays, little league games, programs, plays, concerts, man to man talks, just good 'ole family fun times, and the list just goes on and on. We could always count on Carlyle. All we had to do was pick up the phone and Carlyle was there. He loved to make us laugh and we will miss all of those "corny" jokes he told (smile). God has surely smiled on the life of Carlyle Gundy, and we will always smile when we think of him. Love, Chris###imported-begin###Chris###imported-end###

“ Jackie and Patrice, "O sing unto the Lord a new song; for He has done marvelous things:..." As it is written in Psalm 98:1, God has surely done marvelous things. This is in honor of our dear Carlyle Gundy. God has truly blessed us all for the opportunity to share Carlyle with us for 65+ years. Carlyle has always been there for everyone. Carlyle was not like family to me. He was family. We all are going to miss Carlyle deeply. Family was so very important to him. Next to his great love for Jackie, Patrice, Orlando, and his precious granddaughters, Taylor and Kennedy, were our nephews, Brandon, Christopher, and Jonathan, "the boys." Carlyle was there for the boys' softball games, plays, trips, man to man talks, whatever, he was them. Where there was Jackie, there was Carlyle. They were like salt and pepper. Carlyle was a staple in the family. He was just always available. Carlyle was a great uncle to the boys. So, on this day, I thank God for allowing me to know, care, and love Carlyle. Carlyle's legacy lives on in all that love him. I praise God for the life of Carlyle C. Gundy!!! God surely created a marvelous thing in the person of Carlyle C. Gundy. Even though tears are in my eyes, I know that Carlyle is no longer suffering. Life is so very precious!!! Carlyle truly and dearly loved his family!!! For I loved Carlyle too!!! I love you Jackie and Patrice!!!###imported-begin###C. Maria Stokes###imported-end###

“ Jackie and Patrice Words can never express the love I have for Carlyle. He was my brother-in-law according to law but he was my blood brother in my heart. He taught me how to drive at the age of 12. He taught me how to drive a stick. He introduced me to the game of golf and I have been hooked since that day. He was the surrogate for my sons when I moved to Atlanta. I will never forget all those days that I would ride the buses with him. He taught me how to change the oil on a car and the importance of car maintenance. He gave me guidance about life. He was always there if I needed him. He made me laugh in my times of sorrow. He could always put a smile on my face. I will miss him more than I could ever express in words. I will be here for you if you need me day or night. I love you and I can't wait to see him again when I get to heaven. I know that there will be a smile and a story waiting for me. Love Always

“ Jackie and Patrice, We are so saddened by the loss of Carlyle. He was such a caring and loving man - generous with his time and generous with his heart - always helping out. Carlyle was such a joy to be around. We will always remember his smile, his jokes, and his big heart. Charles enjoyed their talks about photography and learned alot from him about his hobby. We, and Brandon, Christopher, and Jonathan, truly appreciated Carlyle for making Charles and Charles Wesley feel like family, and not just in-laws. We are so thankful to God for placing Carlyle in our lives. With Love and Deepest Sympathy, Chris and Charles Cephas###imported-begin##Charles and Chris Cephas###imported-end##

“ Uncle Carlyle, my Right Hand Man. As everyone knows my brothers and I were not just his nephews but we were his sons as well. There never ever was a moment when Uncle Carlyle was not available for us. If it was to give us Fatherly advice when our Dad was not available, to take us to Burger King, or to come over and order a pizza, or to just be that comforting Voice. Uncle Carlyle will always be loved and remembered as a phenomenal MAN! I love you Uncle Carlyle I will be seeing you, when I get to the Kingdom, waiting to play, laugh, and talk.##imported-begin##Christopher Burke##imported-end##

“ Jackie and Patrice, What gives me comfort is my faith that I will see God and our 'Loved-Ones' who passed before us again. As you know... whenever I called on Carlyle... he was there for me, Carlyle gave me my first driving lesson, my first swimming lesson, and so many moments of laughter. Jackie... remember how I called you and Carlyle, Fred and Ethel Mertz :D... you have been a lighthouse for my entire life... and now it is time for me to be your lighthouse. You will never be alone, as long as I have a breath in me ... I will be here for you whenever and wherever...I Love You...##imported-begin##Kathy Burke##imported-end##

“ Jackie and Patrice, Thank you so much for sharing Carlyle with us. I always looked forward to his coming to visit Patrice in Virginia, because he would always have a funny story and his camera in tow. Patrice you are a very lucky woman to have had such a wonderful father. One who adored you and his grandchildren (Taylor and Kennedy). Your dad left a lasting impression on everyone he met, and for you his daughter; you are who you are today because of the dreams he had for you yesterday.##imported-begin##Jacqui Bell##imported-end##

“ Words can't express the heart felt emotions that we are feeling at this time. This is from the Harper family Of the Providence Inspirational Baptist Church. Rev. Dr.C E Freeman is our very fine Pastor. Trustee/Deacon Gundy and I served on one of the same boards (ministries) at our church. Deacon Gundy was Thee Most pleseant person I have ever known. For many years that we served God at P.I.B.C Deacon has never changed, he has been nothing but the Kind wonderful person that God has made him to be. He loved his family and spoke of them often. He love laughing & joking with the church members, especially my Mom. Deacon Gundy will truly be missed beyond words. It will be so.....hard not seeing him, sitting in his favor spot on his usually pew up front, at Providence Inspirational Baptist church. We will miss him, and God has him now in his care. God bless the entire family of our Beloved Deacon Gundy. May God keep the Gundy Family in his ever loving care. Sis. Harper of the P.I.B.C 3/7/2008##imported-begin##Sis. Harper##imported-end##

“ Please accept my sincere sympathy for the loss of your loved one. Despite this difficult time, you can find comfort in the promise Jesus made at John 5:28,29: "Do not marvel at this but the hour is coming in which all those in the Memorial tombs will hear his voice and come out." Yes the Bible holds out the real hope of seeing our dear loved ones and friends again.##imported-begin##A. Robinson##imported-end##

“ I am sorry to learn about the death of Carlyle. This must have been a difficult time for all of you. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
