

## Carol D. Lunn

November 4, 1953 - October 3, 2016

On November 4, 1953, Carol Ann Barksdale was born to the late Curtis and Ola Mae Barksdale in Baltimore, MD. Carol was their only child. On October 3, 2016, Carol received her heavenly wings.

She received her education in the Baltimore City Public School System and graduated from Eastern High School in 1972.

Carol married her sweetheart, William Lunn, Sr. on December 16, 1972 and from this union two children were born; William Jr. and Nicole Annette Lunn. She loved her children dearly. She later graduated from Bowie State College. Carol was employed by Bowie State for twenty-two years before she retired.

Carol loved to read books and enjoyed watching TV and movies. Crossword puzzles were one of her favorite pastimes. She was also a true Baltimore Ravens fan. Her grandchildren were especially dear to her. She had such a way of keeping them laughing and happy. In spite of all the challenges she faced throughout her illness, she always remained positive and was always concerned about her family.

For those who knew Carol you know that she had a way of telling you how she felt about things and didn't care if you didn't like it. That was just her way. She will truly be missed by all who knew and loved her.

Left to forever cherish the loving and caring memory of Carol are: her devoted children, William Lunn, Jr. and Nicole Annette Lunn Brown (James); three grandchildren; William Lunn, Shabrea Taylor and Janiya Brown; cousins, Gloria Thaxton, Delores Alston, Maurice Clark and Ralph Howard; special cousin/sister, Michelle (Shelly) Alston; father-in-law, Linwood Lunn, Sr.; six brothers-in-law, Linwood Jr., Frederick, Norris, Rome, Amos and Curtin Lunn; three sister-in-law, Maggie Lunn, Lind Baker and Mary Lunn; and a host of other relatives and friends.

“ To the entire family of Carol Lunn ; To William and Nicole I am so sorry for the loss of your mother. I loved your mother so much as if she were my own sister. We had 48 years of friendship we met on the number 19 bus stop going to Eastern High School and when we got to school we founded out that we were in the same class. I became attacked to Carol because she was bold and didn't bite her tongue and was ready and able to fight if she had to. However I on the other hand was quite, shy and could not fight a lick so there you have it. We have one more friend name Romina Campbell that went to school with us and we stayed in touched to this day. Once again to my family the Lunn family we are ,all in this together. It is so painful so very, very painful to know that Carol is gone. To my very dearest friend good by and I love you so much.
