“ I offer my warm and sincere condolences for your loss. Losing a loved one in death is a most devastating thing to go through, and please believe that this sadness was never God's purpose for us. In the beginning he created man perfect with an opportunity to live in a paradise earth forever and ever; but sadly Adam and Eve did not appreciate the love God showed for them, and so they disobeyed and lost out for themselves and the whole human race. Yet God's purpose has not changed. 2nd Peter 3:13 tells us, "But there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell." In that new earth Psalm 37:11 says that the meek ones will share in an abundance of peace. What a joyous day that will be. When Adam sinned, Jehovah sent his most precious son, Jesus to undo the hurt Adam brought upon us. 1st Cor 15:22 says, "For just as in Adam all are dying, so also in the Christ all will be made alive." One day our loved ones will come back to life again, because they will hear the voice of Jesus calling them back from the grave. John 5:28,29. May this promise of the resurrection help you to cope, and may your precious memories of Carolyn help you to go on.##imported-begin##R
