“ I wish to send my sincere condolences to the family at this most difficult time. Please find comfort in the knowledge that Carolyn will one day live again by means of the resurrection made possible by the resurrection of the Lord Jesus Christ. He gave his life as a ransom in exchange for many, and through his death all have the possibility of everlasting life. His father, Jehovah God has given him all authority to bring the dead back to life. At John 5: 26-29 Jesus said: "For just as the father has life in himself, so he has granted also to the son to have life in himself. "And he has given him authority to do judging, because Son of man he is. "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." May you be comforted and strengthened by this wonderful promise from Jehovah, and may your memories of happier days spent with Carolyn help you to cope.##imported-begin##R Johnson##imported-end##

“ I would like to send my condolences to you all in your recent loss. Losing a very dear loved one hurts and breaks the circle of life for all. There are so many wonderful things to accomplish in life that are sometimes cut short, Romans 5:12. We can look forward to better times as the bible says at Ps. 145:16. May all the many cherished memories and happy times spent with Carolyn keep supporting you all in the journey of life ahead. ##imported-begin##Lillian Crosby##imported-end##
