“ My mother, Carolyn, wished to be cremated, and I am deeply hurt that I was denied the chance to honor her wishes. I want to thank March Funeral Home for the services they provided, especially given the disorganized way the arrangements were handled by her family.

*The comments shared have been warm and comforting, and we truly appreciate every kind word. Although she was a woman I barely knew, I'm grateful that so many of you had meaningful moments and memories with her—and chose to share them here.*

*I had the pleasure of knowing and working with Carolyn for 5 years. Carolyn was one-of-a-kind, a trooper, and a gogetter. She was a dedicated Mon, Sister, Aunt, Friend and Worker. She loved the people she cared for inspite at time how they may have at first taken to her, but she would hang in there and win them over and over. Infact she was so loved and cared for that once her assignment was completed with a client or even the family, they would keep in contact and call her and meet with her and they just could not get over Carolyn. Carolyn was my friend before my caregiver and I will miss her, I will miss her jokes, I will miss her voice, her kind words and yes, even her ornory side. Carolyn loved everyone and treated everyone with love and respect. Carolyn was taken to soon from us BUT we can all feel comfort in knowing we ALL have another Guardian Angel to watch over us. Go Sweetheart and be with God remember I love you and will miss you but I will always have you near me when I think of you and speak your name. Rest and be at peace. Love you and the Family, Penny Kreh*
