“ My Dear Carrie,  
*I will miss our chats every morning, our laughs together, and your smile. I will always cherish that. We met 10 years ago, and you always gave me hope and inspiration to excel. We really became very close when you were my mentor about 5 years ago. Thanks for everything, and you will never be forgotten. Sinet*

“ *When Carrie earned her wings on October 7, they were not just ordinary wings. Her wings were special they were trimmed in gold and silver. I can imagine her spiritual gown being impeccably adorned like the jewel she was. She was beautiful, loving and gracious. May she continue in her heavenly journey spreading laughter, motivation and encouragement. I will miss you terribly.*

*Love Carol H.*

“ *My favorite memory about Carrie is how she loved to talk about her Daddy, God. She had told me Tuesday, October 5th how she had just had revival and she was feeling good. Daddy apparently enjoyed her so much that he wanted her to stay with him in his presence. Now he can enjoy the fashion shows and the way he makes her smile up close and personal. We will miss her physically, but spiritually we will meet again. I look forward to seeing you Carrie.*
