“ I would like to express my deepest sympathy for the loss of your loved one. The Bible teaches about a future time when all those who have fallen asleep in death will live again by means of a resurrection on a paradise earth (John5:28-29, Psalm37:11,29). May you find comfort in Jehovah God and the many wonderful promises contained in his word the Bible because Titus1:2 assures us that he cannot lie. Warmest regards.##imported-begin##C. “ I would like to express my condolences to Ms. Stith's family. The loss of a loved one can be painful, that's why the Bible calls death an "enemy." But, please be assured that God promises to do away with that enemy and all the pain it causes, according to 1Corinthians 15:26 and Revelation 21:4. Also, Daniel 12:2 states,"many asleep in the ground of dust will wake up" with the hope of enjoying the blessings promised at Psalms 37:11,29. May you continue to find comfort in God's Word of Truth.##imported-begin##Valerie Johnson##imported-end##
