

Cartilla Holbert

December 29, 1937 - December 15, 2020

Cartilla Holbert, daughter of the late Mollie and Ulysses Jenkins, was born on December 29, 1937. God called her to eternal rest on December 15, 2020.

Cartilla received her education at Dunbar High School.

After finishing school, she worked at Lebow Brothers Clothing Company as a seamstress for many years. She later worked for the Mack family for 38 years.

“Connie”, as she was affectionately called, was married to William Holbert who preceded her in death.

Connie professed her faith in Jesus Christ and for many years was a member of Southern Baptist Church under the leadership of the late Rev. Nathaniel Higgs. She later worshipped at the Greater Harvest Baptist Church under the leadership of the late Rev. Errol Gilliard. In July 2004, she united with the Omega Baptist Church under the leadership of Rev. Jason Clark where she was a faithful member.

Connie was a lovable person, a person everyone chose to have as a friend and willing to be a friend to all. She went about doing good and always put Christ first in everything she did. She will be greatly missed by all who knew and loved her.

She leaves to cherish her memory, her sister, Jeanette Rice; her niece, Reba Dyson and her nephew William Eley, whom she treated as own her daughter and son; a host of other nieces, nephews, other relatives and many friends.

“ *I will surely miss Momma Connie! I loved how she would dance in the aisle all decked out in her Ravens gear. Her humor, honesty, and generosity were unparalleled! She shared an lot of wisdom, and I will never forget her. I know she's having the best time in Heaven, and I'll be glad to see her again one day.*

Mother Connie was like family to me and my brother and sisters. We only wish that we were able to participate in her home going service in some way. It would be appreciated if we could personally send our sincere condolences to her immediate family Including Reba and her brother. We want you to know that we loved her very much and would like to receive an obituary if at all possible.

“ I have not known Mother Connie as long as others, but her smile and laughter would always put me in a good mood. Her humor when pastor preached cracked me up. If stated singing she would really cut up. I personally will miss her, and if there was such a thing as taking over heaven she is on it with gifts for all. To her family I can only imagine what you are experiencing right now, let your tears flow and don't allow anyone to tell you when or how to grieve.
Sending love and hugs to each one of you. Joyce Williams
