“ I was saddened to learn of the passing of Ms. Morton. I had the pleasure of meeting her almost 20 years ago when I came to work at the DSS office on Biddle St. Ms. Morton was kind and gentle, with a sweet spirit. I remember our last conversation when she decided to retire from State service. We praised God and shared hugs, as we often did. May she rest in eternal peace with our Father, the Lord Jesus Christ; and Family, may you find comfort in knowing that Ms. Morton has earned her reward. God bless you 🙏🙏🙏

“ Deeply saddened to hear the passing of Ms.Morton who was once my supervisor at the Baltimore City Department of Social Services. I learned a great deal from Ms.Morton on how to be a supervisor and how to treat your people. She was a beautiful person with altruistic sprit. Professional in every sense of the word. Family May you find comfort in knowing she is now resting in heaven with God. With deepest sympathy in your hour of bereavement.

*She was a phenomenal supervisor with the unique ability to back date a memo over 90 days and make you sign it lol! Then, I discovered her weakness was a sweet tooth. From that day forward I made sure a huge slice of cake would always be between myself, Ms.Morton and a ink pen. I know she has exchanged her cross for a crown! My thoughts and prayers are with you. She truly lived the life she spoke of.
