

Cassandra Tracey Ann Blake

October 10, 1981 - September 7, 2005

Cassandra Blake, daughter of Donald Blake and Olive Brown was born on October 10, 1981 in Kingston, Jamaica W.I. On September 7, 2005, God looked around His garden and found an empty space. He then decided her work on earth was completed and called her home. Cassandra received her early education at Bagga Park Basic and St. Patrick Primary in Kingston. In March 1996 she migrated to the United States where she continued her education. She was a 2000 graduate of Northwestern Sr. High on Park Heights Avenue. She later earned an Associates Degree in Engineering at Catonsville Community College. At the time of her death, Cassandra was employed at KCW Engineering and Visiting Angels Assisted Living. Cassandra, affectionately known as "Tracey" or "Milly" was a loving and devoted mother to her son Omari. She enjoyed spending evenings at home playing Uno with her sister Annette and friends. Tracey also enjoyed family gatherings; such as Christmas and Thanksgiving. She was a fun-loving and happy person; and touched the life of each and everyone she came in contact with on a daily basis, because of her bright and friendly smile she made numerous friends wherever she went and will be sadly missed by everyone who knew her. She leaves to cherish her memory: mother, Olive; father, Donald; four sisters, Eunice, Ann Marie, Novelette and Melissa. One brother, Ralston; her fiancé, Nicholas Miller and her son Omari Miller; four nephews, Shamar, Davean, Rhodane and Jamison; five nieces, Deanna, Olivia, Kaliyah, Kimeya and Mikaylah; grandmother, Cynthia Mack; grandfather,

Vincent Brown; aunts, uncles, cousins and a host of relatives and friends to mourn her loss.

“ *Tracy, it broke our hearts to let you go but we already know God had plans for you when he placed you in our lives. You left so much sadness behind when you died, Each day seemed so hard to just get through. So many words left unspoken, inside, Just memories left to cling on to. But time has healed me, a little each day, Although I still miss your laughter it's true. I'm just so privilaged that I can honestly say, I'm blessed to have had a friend like you.##imported-begin##Jackie Haughton##imported-end##*

“ This is a love dedication to the family of Cassandra. I would like to send my deepest sympathy for the lost of one of the kindest, most caring, and respectful young ladies that I have ever met. Cassandra was always supportive of the Micology Family, a group of students committed to the empowerment of African Americans and Africans at the Community College of Baltimore County at Catonsville. She always had her son with her when ever I saw her in the hallways. Cassandra wasn't just dedicated to her school work. In my eyes, she was the essence of a great mom. My heart fell off the face of the earth when I learned of her passing. I've never met Cassandra's family, but I know that they raised her with some of the most valuable attributes to humankind; the gifts of love, committment, and compassion. I will miss her always. “ To the family, Please accept my sincere sympathy. It truly is unfortunate that at times we must experience the sorrow associated with the loss of one we love. As you find comfort in your precious memories may you also find comfort from, "the Father of tender mercies and the God of all comfort who comforts us in all our tribulation." 2 Corinthians 1:3,4.###imported-begin##Gwen Winston###imported-end##

“ Tracey, my family and I will miss your smile and your personality. You were such a beautiful person inside and out and you will truly be missed. I hope your family recovers from your lost and thank God for giving you as a blessing. I pray for your son that God will bless him and guide him through life's journey. “ I still can't believe that Cassandra is not with us anymore. I heard when people talked about it and say that she's dead and people told me that she's dead but for some reason I didn't understand what it meant until recently. Before then I convinced myself that she was in Jamaica and it would be a while until she come back, that way I wouldn't have to deal with the reality of the situation. The real reality of it all is that Omari has lost his mother, miss olive a daughter, Annette, Kim, Kara, Kk, & Dan a sister and Nick lost the love of his life. As for me, even though I never had a sister I've always considered Cassandra to be the sister that my mother never gave birth to, and she and Omari meant a whole lot to both my family and me. Cassandra was unique person because she meant different things to everyone who she encountered. And because of that she's going to be missed by all that knew her. Now we must ALL concentrate on raising Omari and together help turn him into the man that we know she would be proud of because he was the most important person in her life and put him above all else. I Did Not Die Do not stand at my grave and forever weep. I am not there; I do not sleep. I am a thousand winds that blow. I am the diamond sparkle on the snow. I am the sunlight on ripened grain. I am the gentle autumn's rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and forever cry. I am not there. I did not die. Melinda Sue Pacho##imported-begin##Tracy Smart##imported-end##

“ CASSANDRA, IT'S SO HARD TO BELIEVE THAT YOU ARE NO LONGER WITH US. AS YOUR FRIEND, I AM SADDEN BY YOU PASSING AND TILL CAN'T BELIEVE IT. YOU WERE MY SUPPORT SYSTEM WHEN I WAS IN CALIFORNIA, TELLING ME TO NOT GIVE UP NO MATTER HOW HARD THINGS GOT FOR ME. FOR THAT I'M SO GREATFUL. GREATFUL THAT GOD ALLOWED OUR PATHS TO CROSS. I LOVE YOU AND KNOW THAT YOU ARE IN GODS HANDS. YOU WILL NEVER BE FORGOTTEN IN MY HEART.##imported-begin##OBIAGELI NNADI##imported-end##

“ Boy oh boy Tracey, right now words can't even express the way we feel. I would have never dreamed that something like this can happen to someone with such a good heart. All everyone is left here to think is WHY! WHY Tracey? I guess we just have to be strong, sit and laugh at the "good ole'days". As for you, do us one favor: guide, protect and watch over all of us. For you are now an ANGEL OF GOD..... FLY FREE...LOVE##imported-begin##Nickey, Tariq, Sarah & Dawyne##imported-end##

“ Cassandra the only comfort I get from your passing is that you are with God, and he himself welcomed you into his kingdom wispering the words "well done my true and faithful servant. This does not mean that I am not going to miss you but I am happy that you will live on in Omari, and whenever I see him I will always remember what a remarkable person you were. I will always be grateful that you shared your life with me and my family. Your family should be proud of all that you have accomplished with the time you were allotted here on earth. Thank you for bringing Omari into our lives. I know that we all have a new guardian angel looking over us. I will always love.###imported-begin###Ruth Smart (Ms, Ruth)###imported-end###

“ Dear Family I wanted to take this time to express my condolences on the loss of your loved one. I wanted to let you know that the Bible offers hope and comfort at times like this. The scriptures tells us that God is a God of Comfort (2 Corinthians 1:3,4 & Isaiah 66:13). They also tell us that he sees our plight is near to those broken at heart and those crushed in spirit he saves, Psalm 34:18. There is also hope of seeing our dead loved ones again in a different world free from all the stresses of this world. A world where there are no crimes, sickness, death, poverty, etc. These promises can be found at scriptures such as Psalm, 37:10, 11; Revelation 21:3, 4; John 5:28, 29; Isaiah 26:19; Hosea 13:14. There are plenty of other scriptures but time will not permit me to give them all to you. Please take the time to read the scriptures mentioned and draw comfort from them whenever you feel the need.##imported-begin##Sophia Briscoe##imported-end##

“ Tracey eventhough its been more than a month since you've passed, i still cant come to accept that youre gone. I know one day we will meet again, until then i will keep you in my heart and in my prayers. "Wherever you are in heaven, tell God i said, you deserve to be an angel, wherever you are in heaven, tell God i said, you deserve a pair of wings" Thats a line from a very old song i remember,..I know you got your wings and they must look beautiful with on you. Your smile completes any and everything. I will have to say goodbye until i meet you again. Keep watching over Omari, let him feel your presence at all times.. Goodbye Milly, farewell, until we meet again.. Love Always, Jackie Every step i take, every move i make! ever single day, every night i pray, Tracey we'll be missing u..thinking of the day, when u went away..what a life to take, what a bond to break, we'll be missing you...ONE GLAD MORNING WHEN THIS LIFE IS OVER, I KNOW, WE'LL SEE YOUR FACE"###imported-begin##Jackie###imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.###imported-begin##Senita Swann###imported-end##
