Cat to many, received Christ at an early age and kept Him in her heart until He called her home. Cat was generous, kind and a devoted mother, sister, aunt and friend. She loved people and people loved her. She gave good advice whenever it was needed and was always the life of the party. She was well known for her cooking, especially her famous macaroni and cheese and crab cakes. She enjoyed company, especially children, because she was a big kid at heart. All will sorely miss her. “ Please accept my warm and heartfelt condolences for the loss of Catherine. Surely she will be missed by so many, but her wonderful memory will always linger on in the hearts of those who loved her. One day Almighty God promises that he will end all sickness and death forever. This was never his purpose for us, and he promises that this enemy death, will be brought to nothing. 1st Cor 15:26. By means of a resurrection our dead ones will live again. Daniel 12:2 tells us that there will be many of those who are asleep in the ground of dust who will wake up. Jesus woke many up from the sleep of death while he was here on the earth by means of a resurrection; these included the son of a widow, a 12-year old little girl, and his dear friend Lazarus. Mark 5:38-43, John 11: 38-44. Jesus will soon resurrect millions who are asleep in the grave, because he says this at John 11:25, "I am the resurrection and the life. "Everyone exercising faith in me, even though he dies, will come to life." May you find comfort, hope, and strength, as you reflect on these bible verses, and may your cherished memories of Catherine help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##

“ Please accept my condolences for the loss of your loved one. 1 Corinthians 15:26 lovingly informs us that our "enemy death" is to be destroyed. There is much hope for our dead loved ones returning to life. Acts 24:15 reveals "there is going to be a resurrection". May you receive much comfort and strength from this wonderful hope found in the Bible.##imported-begin##Sharon Hill##imported-end##
