

## Catherine Fraizer

January 22, 1951 - December 6, 2020

Catherine Frazier was born in Baltimore, MD to Dorothy Wells and Alvesta Jones, Sr. She departed this life due to complications of Covid-19 at Greater Baltimore Medical Center.

Catherine was educated in the Baltimore Public School System. She attended Garrison Junior High and Carver Vocational School. She received a four-year scholarship to attend the Peabody Conservatory Institute to study music. She also obtained her Bachelor's degree in Psychology at Morgan State University.

Catherine aka Cat was a beautiful Queen who loved the Lord and church. She had a sweet spirit and beautiful smile that could light up any room she entered. She accepted the Lord Jesus Christ into her life at age 15. She was a member of the Heritage United Church of God in Christ in Baltimore, MD. In the later part of her life, she joined Liberty Grace Church of God where the late Eunice M. King was Pastor and Co-Founder. She loved her church family. Reverend Terris King, Sr. and First Lady Cathy King made her feel right at home. Catherine had a voice of an angel, so she joined the choir and later became the choir director. Before all of this, Catherine and some of her best friends got together and formed a gospel group called The Devineers. Yeah, you can say she loved to sing. God blessed her with a beautiful voice.

Catherine was employed by the public school system as a Student Assistant. She became a counselor in the Baltimore Correctional Department. After that, she was employed by Rosewood State Hospital and then Spring Grove State facility where she retired in December 2018. She was also president of her local AFSCME Union.

Catherine was a vivacious reader of novels. She bought books from all over, new and used - she couldn't get enough of reading. Always looking to broaden her vocabulary and knowledge. She challenged others to do the same. She was the greatest listener, therapist if choose in so many ways. One of the best advice givers. She loved to dance, being the life of the parties she attended. She loved to travel and try new restaurants as she moved gracefully along in life.

Catherine loved to cook. Whether it was a typical meal or a holiday banquet, it was always anticipated, mouth watering and appreciated. This love for cooking was passed down to her boys as well as her grandchildren.

*Catherine, My Beloved Sister, I love you.....*

*"You would know the secret of death..*

*For life and death are one, even as the river and the sea are one.*

*For what is it to die but to stand naked in the wind and to melt  
into the sun?*

*And what is it to cease breathing but to free the breath from its  
restless tides, that it may rise and expand and seek God  
unencumbered?*

*And then the earth shall claim your limbs, then shall you truly  
dance." (Gibran)*

*Always thinking of you Cathy. We have known each other for over 50 years. You were my mentor and Big Sister and a great encouragement to me when I was attending school. I was always impressed with your knowledge and the way you articulated words. You would read about 5 books in one day and I am still working on one a month. Your love for dancing always reminded me when you won dance competitions during our block parties. Always dressed to impress and make-up impeccable. Such a beautiful voice you had. I was so blessed when you sang at my wedding. Each time when I had to leave the state for years on business, I would always search for you and your young men when I returned. It was important for me to have you in my life. This box is not big enough for me to record all the wondrous things I could say about you. I am missing you my sister...Tears of Love!!!
