“ *We extend our deepest sympathy to your family during your hour of bereavement.*

Though you are saddened in the passing of your Mom. Just remember that we are all on loan to each other for a short time. By God. Thank God he always gives us his best.

“ *We extend our deepest sympathy to your family during your hour of bereavement. Though you are saddened, Jesus gave us some encouraging words at John 14:27 to let us know that we are not alone. You may also find comfort in reading Ps. 34:18.*

“ My heartfelt condolences go out to my cousins Robert and Reiginald Jones and their family on the loss of your mother. To my mom(Sharon Riggs)and my Aunt(Irene Crawford)on the lost of their sister Catherine Jones affectionately called Aunt Boots. To all of my cousins who have many memories as I do, think of the good times we all had together when you are sad. Oh you will truly be missed by us all, there are so many memories, family functions and just beautiful time spent together. I will miss our shared birthday but will always keep you close in my heart. When you have someone in your life that has so much wisdom and strength it's hard not to pick up some of their mannerism. I've learned so much from my aunt about character and strength and how to survive the bad times with dignity. She was always a very giving person as my sister Cathy stated, but she also would tell you if you were wrong and to correct yourself and move on when needed. I will truly miss my aunt but I'm so glad that we have always been a close family and enjoyed each other's company. I'm truly blessed that you were able to see me raise my daughter and meet her family. We will all miss you very much but I know you are ok now, you keep them all in line when you crossover as I know you will. God bless and keep your family in prayer. We love and will truly miss you Aunt Boots. Forever in our hearts love always.

“ We will miss the Matriarch of our Family. Affectionately known as ‘Aunt Boots’, she kept everyone in line! She had a hard exterior but a heart of gold.

She was a giving person. If you tried to repay her the favor, she would refuse and say “pay it forward, help somebody else when you can and if you can’t help them then don’t hurt them”. She supported everything positive any of us set out to accomplish and became our cheerleader.

Her quick wit and humorous personality will certainly be missed. She began the oral family history by sharing stories about loved ones we had not met. She brought them to life with her vivid, detailed anecdotes about them. We will treasure these narratives and will pass them on to the next generation.

We all love and will miss her deeply. Condolences to Reggie and Bobby whose days will be long because they honored their mother.

Heartfelt sympathy to Irene and Sharon who will miss the bossiness, sarcasm and humor of their sister. (smile)

To the grandchildren, many nieces, friends, neighbors and associates, our lives will never be the same without her but our lives are better because of her.

*With Heartfelt Sympathy,
To GOD Be the Glory,
Love, Her niece Catherine*
